

Dear Parents,

I am so excited for this school year! I know we are in troubling times and I hope you all are doing well. Even though there will be some minor changes, we will make the best of everything. Your child(ren) will be learning new and exciting skills this year to prepare for kindergarten. Due to high demand in materials, I understand everything on the supply list might be difficult to find. The list below is materials we will be needing for our classrooms to make sure everyone is comfortable and safe!

Materials:

- 2 Lysol/Clorox wipe containers
- 2 bottles of hand sanitizer
- 2 packs of baby wipes
- 1 bottle of glue (per child)
- Nap pad with sheets and blanket
- Snack/Lunch
- Extra clothes

I will be providing materials such as crayons, scissors, folders, etc. FCA will be providing book bags, so please do not send your child with their own book bag. If they bring their own book bag, I will send it back home. The bags being provided are much easier to carry.

Snack/lunch:

Please make sure your child(ren) have morning snack and drink. Children also need lunch with a drink as well as **utensils** to eat with!

Nap Time:

Students will need a nap mat to lay on during our resting period with a sheet to go over it as well as a blanket. Nap mats will need to be brought in trash bags to keep them clean. Please do not send pillows or stuffed animals. We want the children to learn how to clean their nap area up and it will help if they have fewer belongings.

If you have any difficulty finding materials or questions/concerns, you may reach me through cjturner43843.ct@gmail.com or 843-544-8318. See you August 17th!

Sincerely,

CJ Turner
